

3D Parts MFG, powered by Purdue University CEO Opening Town Meeting Speech

Good morning, my name is _____
(name)

I am the CEO of 3D Parts Manufacturing powered by Purdue University.

3D Parts Mfg. is a technology company that produces plastic 3D printed letter necklaces, bracelets, and bike tags. Our state-of-the-art printers manufacture plastic materials.

Our sales managers will be visiting all businesses, with samples of our products. You may place a pre-order at that time. Our sales managers will deliver your purchases during your shopping break.

This year we are also proud to announce that we will be the first business in JA BizTown to offer an NFT. Members of our staff will be walking around with a short video to learn about NFTs as well as the Purdue Pete NFT handout!

Along with the items we make at 3D Parts, we will also be selling the following item during shopping time:

1. _____

Come by and see us today!

AES Community Relations Director Opening Town Meeting Speech Guideline

Good morning, my name is _____.
(*your name*)

I am the Community Relations Director of Junior Achievement.

Today citizens are asked to engage in personal philanthropy. We will come to each business to explain the personal giving opportunities.

We also ask that individuals find it in their hearts to give a duck a forever home (hold up a duck). Visit us today in front of AES Indiana to adopt a duck for \$3.00 and hopefully pick the “Lucky Duck” that will win you a prize at the end of the day.

Thank you to the businesses for supporting the AES Indiana program!

Thank You!
